

Sponsorship Information Package

**2022
Texas Citizen's Academy Alumni
And Law Enforcement Annual Training Convention
Margaritaville Lake Resort
Montgomery County, Texas
June 12-16, 2022**

Hosted By:
The Montgomery County Sheriff Citizen's Academy Alumni Association

Mission Of The Texas Citizen's Police Academy Alumni Association:

The mission of the Texas CPA Alumni Association is to assist and educate the various Citizen Police Academy Alumni Associations within the State of Texas to better serve their communities by more effectively partnering with and supporting the law enforcement agencies in their area.

What Citizen's Academy Alumni Associations Do:

Numerous law enforcement agencies around the nation conduct Citizen's Academy programs, offering local residents the opportunity to attend their academies, learn about their agencies, and support their agencies in various ways. Once citizens graduate from these academy programs, many of these graduates continue their partnership journey with their law enforcement agencies through an Alumni Association organization, whose mission is to provide ongoing support to their agencies through volunteerism and participation in numerous support activities. Many Alumni Association members generously volunteer dozens or hundreds of hours each year towards their mission of supporting their law enforcement partners.

What Is The Annual Texas Citizen's Academy Alumni And Law Enforcement Annual Training Convention?

Each year the many Citizen's Police and Sheriff Academy Alumni Associations from around the State of Texas gather with their law enforcement partners for three days of focused discussion on the issues of crime prevention in Texas communities. Each day is filled with breakout sessions covering such topics as school security, angry driving, property protection, family and workplace violence, frauds and scams, and personal safety. Each day also includes High Profile sessions where interesting case histories of various crimes are presented for discussion and analysis. The primary focus of the convention is education for the citizen and law enforcement attendees, to help them determine how they can best support each other and work together as teams to address the ongoing problems with crimes in their various communities. The 2021 Convention, hosted by the Plano, TX Citizen's Police Academy Alumni Association, was attended by approximately 375 citizens and law enforcement partners from around the State of Texas.

A Word About The 2022 Convention:

The 2022 Texas Citizen's Academy Alumni and Law Enforcement Convention will be held June 12-16 at the beautiful Margaritaville Lake Resort on Lake Conroe. The theme of the 2022 Convention is *"We Take Care Of Each Other"*. The Montgomery County Sheriff Citizen's Academy Alumni Association (MCSCAAA) will serve as the host organization for the event. Based in Conroe, MCSCAAA is a very active Alumni Association organization, and its members volunteer many hours each year in support of the Montgomery County Sheriff's Office. The 2022 Convention will be a milestone event in the history of the Convention in certain respects. First, this will be the 30th year of the Convention in the program's history. And of particular significance, this will be the first time in the history of the Convention that it has been hosted by an alumni association from a county Sheriff's training academy.

Sponsorship Opportunities:

MCSCAAA will need help from the many citizens and businesses in Montgomery County and around the State of Texas to make this Convention successful, in the form of sponsorships and donations. In return, sponsors and donors will get the benefit of exposure to the many people that travel to Montgomery County for the event through the various Convention publications and branding.
